

St. George Greek Orthodox Church

# Hope & Joy

## Collection Drive

*Hope and Joy of St. George Greek Orthodox Church in Clifton, NJ is collecting NEW Play-Doh cans and play sets. The Play-Doh will be donated to the Reuten Clinic at the Don Imus - WFAN Pediatric Center for Tomorrows Children, part of the Hackensack University Medical Center in Hackensack, NJ. The Clinic helps children fight cancer and serious blood disorders, in a warm and playful environment.*

*Many of the children receiving treatment at the clinic have compromised immune systems, therefore a can of Play-Doh can only be used once. The clinic goes through thousands of cans of Play-Doh each year at a considerable cost. Please help us in our support of this clinic that touches so many lives by picking up a can of Play-Doh next time you are out shopping.*

**The collection drive will run for the entire months of  
December and January.**

*Please drop off your donations in the church atrium.*

*For more information, please contact  
Elaine Manoliadis at nyke616@verizon.net or*
