Dear Greek Orthodox Youth Association:

Thank you for your donation of packed first night kits and toiletry items donated to the Jersey Cares' First Night Kit Program on December 1, 2020. Due to your support, Jersey Cares can continue to benefit innumerable people in need throughout New Jersey, hundreds of nonprofit agencies that work with them, and the thousands of caring New Jerseyans who are able to offer their volunteer help every year through our efforts. Because we are a 501(c)(3) nonprofit organization, your contribution is tax-deductible to the full extent allowed by law.

Through our collection drives, Jersey Cares has been able to distribute over 20,400 coats to our neighbors in need via our Jersey Cares Coat Drive, over 3,600 backpacks to students via our School Supply Drive, over 5,300 gifts to children through the Frosty's Friends Program, and 5,600 Halloween costumes to children through our Halloween Costume Drive program. Additionally, we run an ongoing Animal Shelter Helpers program which collects pet supplies and food for our furry friends.

If you or your team is interested in participating in any of our other ongoing or seasonal collection drives, please visit our [collection drives page](#) for more information.

In the coming year, Jersey Cares will continue to make a difference in the lives of people and communities in need, and your support makes this possible. Many thanks, once again, for your generosity.

Sincerely,
